GALILEO Active Monitor™
Powered by ZABBIX

Galileo Active Monitor
Cloud-enabled Monitoring as a Service powered by Zabbix.

EXPERTLY MANAGED

Quickly benefit from Zabbix on-prem or in the Cloud, expertly managed for maximum resilience.

EFFORTLESS DEPLOYMENT

Be up and running with the in-depth insights and alerts you need in a matter of minutes, not weeks.

ZABBIX CERTIFIED

Count on an enterprise ready deployment from our team of Zabbix certified experts.

Zabbix as a Service. Monitoring Simplified.

Say goodbye to the tedious task of maintaining your monitoring infrastructure. *Galileo Active Monitor* offers Zabbix as a Service, tailored to fit your needs.

With over 20 years of experience optimizing large IT infrastructures across thousands of customers, our team of skilled professionals is dedicated to providing you with an unmatched monitoring solution and expert services, training, and support.

Galileo Active Monitor

Open Source. Hardened for the Enterprise.

With Galileo Active Monitor (GAM), our fully-hosted platform means you can leverage an open-source solution like ZABBIX that is ready for the enterprise at a **significantly lower cost** than other solutions.

GAM BASIC
Basic Zabbix hosting, including database management, upgrades, storage management, high availability, and backups.

From
$1.36*
per endpoint/mo

GAM ADVANCED
Everything included with GAM BASIC, plus 8x5 phone and email support for general application how-to questions and troubleshooting.

From
$3.13*
per endpoint/mo

GAM PROFESSIONAL
Everything included with GAM ADVANCED, plus an assigned Technical Account Manager for professional setup and customized support.

From
$5.10*
per endpoint/mo

* Priced per endpoint, based on 250 endpoints. Larger implementations are eligible to receive additional discounting. Contact sales for additional information.
Zabbix Premium Certified Partner.

As an exclusive **Zabbix Premium Partner** and reseller for North America, we provide a full range of services, including Zabbix-backed training and support, customized implementations, and fully-managed Zabbix hosting.

ZABBIX
PREMIUM PARTNER

Explore More.
